**ACADEMIC INSTITUTIONS
AND INDUSTRIES**

A UNIQUE PLATFORM FOR SOCIAL INNOVATION

The **EBG Socio-Innovation Summit 2024 (EBG SIS 2024)** is a transformative event designed to bring together **students** and **experts** to tackle the pressing **societal challenges**. This summit focuses on **women's empowerment** through **socio-innovation** and provides a platform where students take centre stage, offering their innovative ideas to solve real-world social issues. **EBG SIS is planned as an annual flagship event to unveil the legacy of Prof E. Balagurusamy, a legend in Indian education.**

Unlike traditional summits which mostly feature thought leaders and practitioners, this event encourages **student participation** as key contributors, making them an integral part of the solution process through **a competition format**. Winning student teams will receive **cash prizes**, recognising their contributions to societal progress.

Carrying Forward Dr. E. Balagurusamy's Mission

Dr. E. Balagurusamy, fondly known as EBG, has dedicated his life to promoting **education** as a tool for **social transformation**. His work in **socio-innovation** and **educational empowerment** is at the core of this summit. By positioning students as active **problem solvers**, the summit aligns with his mission to foster **ethical learning** and societal development.

Through the **EBG Foundation**, Dr. Balagurusamy's vision of bridging the gap between education, innovation, and social responsibility continues to inspire **young minds** to become the next generation of **change-makers**.

Summit Highlights

EBG Socio-Innovation Summit 2024: Empowering Women, Enriching Society

The first edition of the EBG Socio-Innovation Summit aims to tackle the critical challenges faced by women in today's society through **innovation, discussion, and collaboration**. This summit offers a unique opportunity for **students, educators, and thought leaders** to work and deliberate together toward solutions that empower women and create a lasting social impact. The deliberations would focus on **women's Economic, Political, Social, Educational, and Digital Empowerment** towards their wellbeing and safety.
